

Mississippi Recycling Coalition

School Recycling Grant Application

The Mississippi Recycling Coalition (MRC) is offering up to \$10,000 in grants to schools to support new or expanding recycling programs. Both \$500 and \$1,000 grants are available to public and private K-12 schools in Mississippi. This grant program supports the mission of MRC, a non-profit organization that works to promote and grow recycling efforts in the state.

Applications are due Friday, November 16, 2018. Mailed applications should be postmarked by that date; faxed and emailed applications should be submitted by 5:00 p.m.

Submitting Applications: MRC accepts applications through mail, fax and email. Also, please note guidelines and instructions below.

Questions: If you have any questions, contact Michelle Robinson at 662-232-2745 or at mrobinson@oxfordms.net.

Guidelines and Instructions:

- MRC only accepts one application per school.
- A budget outline must be included in response to Question 6 on the application form.
The budget must support the grant amount the school is requesting (e.g. \$500 or \$1000).
- We request that all signatures be completed with an ink pen in a color other than black.
- Applications without the necessary signatures will not be considered.
- **Only typed pages will be considered.**
- Font size should be no smaller than 10 point and no larger than 14 point.
- Applications must be received by 5:00 p.m. on November 16, 2018.
- In responding to Questions 1-6 of the application, additional attachments or enclosures may be included if needed.

Mississippi Recycling Coalition

School Recycling Grant Application

School Information:

School Name: _____

Address: _____ City: _____ Zip: _____

Number of Students: _____ Grade Levels: _____

Sponsoring School Organization (if applicable):

Name of Organization: _____

Student Leader(s): _____

Faculty Sponsor: _____ Faculty Signature: _____

Telephone Number: _____ E-mail: _____

School Recycling Program Status:

Existing Recycling Program seeking to continue or expand

New Recycling Program

Grant Amount Requested:

\$500 Grant Award

\$1,000 Grant Award

Principal Name and Signature:

Name: _____

Date: _____

Signature: _____

3. Describe how the school plans to implement the new or expanded recycling program (including where the materials collected will be taken for recycling and how will they be transported to the recycling facility)

4. Describe how the school will promote the recycling program and educate the faculty and student body on what can be recycled and how and where to recycle materials.

5. What outcomes does the school expect as a result of a receiving a grant for the proposed new or expanded recycling program/efforts? For new programs, please describe the types and amounts of materials the school expects to collect. For existing programs, describe the additional types and/or increased amounts of materials anticipated to be collected through the support of the recycling grant.
6. Please describe how the school plans to spend the grant award by providing a budget outline showing the grant amount you are requesting (\$500 or \$1,000) and the proposed expenditures. If the school district is providing additional support to help implement the recycling program, please include those amounts in the budget outline.
